### **Disposable Helium Balloon Gas Cylinder £35.00**

Canister size: 0.42metres cubed. **Includes 50 assorted balloons.**

One cylinder inflates around 50x 9" latex balloons, 27x 11" latex balloons or 13x 14" latex balloons. Latex balloons will float for approximately 8 hours.  
It will inflate approx 20 foil balloons. Please note: This cylinder will only inflate between 3 and 4 of the foil numbers and letters as these are huge balloons Foil balloons will float for several days. Quantity of balloons achievable is dependent on the size and shape of your balloons. Please note that the helium canister will only fill 4-5 super shape foil balloons due to their size. Pack **includes ribbon** and a pack of 50x assorted coloured 9" balloons. This balloon gas cylinder can be disposed of easily. Just remove the valve and take to a metal recyclers. Alternatively leave with road side collection if available.
